WELCOME TO THE JEREMIAH CASTILLE FOUNDATION'S CELEBRATION OF CHAMPIONS

2023 will commemorate the 50 Year Anniversary of the first integrated football team to win a National Championship at The University of Alabama. Additionally, Coach Paul W. 'Bear' Bryant's 1973 team was the first team in the SEC to win this achievement.

On December 16, 2023, the Jeremiah Castille Foundation will host a Celebration of Champions to highlight the success these players accomplished in their time at The University of Alabama, while reconnecting the brotherhood that formed over the years.

We are excited to offer several sponsorship opportunities for this event. The support of the corporate community will ensure that this night is special for the 1973 football team. Thank you for helping us honor the team's hard work and commitment to victoriously become the first integrated football team to win a National Championship in the SEC.
